**What Is Scrip?**

Scrip is a term that means "substitute money". When you purchase scrip, you're purchasing negotiable gift certificates and prepaid cards that are used just like cash. You can use scrip to purchase everyday expenses like food, clothing, gasoline & other essential and generate revenue for St. Frances Cabrini at the same time. The Great Lakes Scrip Center and Together We're Better acts on behalf of churches, schools and other nonprofit organizations to purchase large amounts of scrip from grocery stores and other retailers. Because the scrip is purchased with cash upfront, the participating retailers offer a substantial discount. Our organization buys the scrip from Great Lakes Scrip Center & Together We're Better at a discount and re-sells the certificates to families like yours for full face value. The discount is St. Frances Cabrini's revenue. Scrip is a popular fundraiser because families don't have to sell anything. Organization members produce revenue by making regular household purchases they would make anyway.
