New Student Application

STEP ONE: Complete the Application, including Records Release Form and Application Fee

After you have made the decision to apply to St. Frances Cabrini Academy, please complete the enclosed application in its entirety. Please include a copy of your child's birth certificate, social security card, baptismal certificate (if applicable), and \$35 non-refundable application fee per child. In addition, you must complete your child's "Records Release Form" so that all transcripts and records from the previous school can be sent to Cabrini. All records must be received prior to acceptance decision. Applications are processed as received. The application fee increases to \$75 per child after July 1 for new families.

STEP TWO: Student Visit & Assessment

Every prospective student will be assessed for grade readiness and to assist the school in providing appropriate services. During the school year, applicants will be asked to spend a full-day visiting Cabrini, interacting with their potential classmates and teachers, participating in the classroom activities, and learning more about what it means to be a Cabrini student. At some point throughout the day, the student will complete math and language arts assessments designed by our teachers. Students are also observed for their social interactions with the teachers and classmates. If a visit day cannot be scheduled due to summer break, the applicant will meet with a Cabrini teacher or administrator to take appropriate placement tests and participate in an informal interview process designed to help the teacher get to know the student.

STEP THREE: Conference with Administration

After your child's visit, the administration and classroom teacher will discuss with you your child's visit day, grade readiness, current school situation, behavior, and academic skills. This will also be an opportunity to pose any additional questions to the Principal, Director of Advancement, or classroom teacher.

STEP FOUR: Notification of Acceptance

Following the review of your child's application, classroom observations, and family conference, you will be notified by letter whether your child has been accepted. If your child is accepted, you will receive additional forms to complete your enrollment, including a tuition agreement.

We accept applicants on a rolling basis until all classes are filled to optimal enrollment. On average, the entire enrollment process from application to acceptance decision will take four to six weeks. A child must be five years of age on or before July 31 to be admitted to Kindergarten.

NEW STUDENT APPLICATION

Please complete the entire application. Incomplete applications will not be accepted. Please type or print legibly. If you have any questions regarding this application, please contact the school at (314) 776-0883 or email admissions@cabriniacademy.org.
